Why MCCA?

Who participates in MCCA?

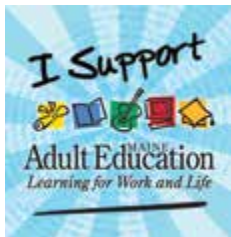

What do MCCA students study?

- Get the support and information you need to succeed in college
- Refresh & improve academic skill levels
- Gain the self-confidence to help you be persistent
- Increase your college placement scores (Accuplacer)
- Get help setting realistic goals
- A 'no cost' way to prepare for a successful college experience

- Adults who have been out of school for awhile
- Those looking to begin a new career
- Recent high school graduates needing extra preparation
- Anyone wanting to advance in their current job or return to work
- Adults who tried college before and had difficulty with classes
- Anyone needing to improve skills in math, writing, reading and not wanting to pay for developmental classes in college

- College level writing, reading and math
- Basic information technology used in college
- Career Exploration
- College survival skills: studying, note-taking, time management
- Learn about yourself and what motivates you

"If it were not for this program, I would already be struggling in English and math. Because of those classes I am #1 in my algebra class and I just got my first essay back and earned 100%."
- Kristen Tuggle
